

# Collaborative Business Writing Workshop

---

Writing and communication skills have degraded with more and more people communicating through email and instant messaging. Developing writing skills is still important in the business world as is creating proper documents (such as proposals, reports, and agendas) giving you that extra edge in the workplace.

The Collaborative Business Writing workshop will give your participants the knowledge and skills to collaborate with others and create that important document. Your participants will touch on the types of collaboration, and ways to improve them through certain tools and processes. These basic skills will provide your participants with that extra benefit in the business world that a lot of people are losing.

## Workshop Objectives:

---

- Define collaborative business writing
- Know different types of collaborative writing
- Know how to collaborate with team members
- Learn methods of handling conflict in writing
- Build collaborative writing teams
