

SharePoint 365 Essentials Workshop

In this workshop your participants will learn how to sign on to the Microsoft Office 365 portal, and see where their SharePoint content will be stored. They will learn about the home page of the portal, where to sign into the Team Site and the Office 365 web apps, including Outlook.

Through SharePoint Essentials your participants will take a look at the Team Site and how to navigate around and view the SharePoint site. SharePoint Online is the Office 365 answer to collaboration. SharePoint Online will let your participants manage documents and information in one place that customers and colleagues can access from virtually anywhere.
