## About the speaker

Marene Jooste has completed a 3 year degree in Human Movement Science and obtained an Honours Degree as well as a Masters Degree in Kinderkinetics. She graduated all 3 degrees with distinction and was selected as Kinderkineticist of the Year.

She is also a member of the Golden Key International Honor Society and currently serve on the board of SAPIK as one of 2 vice-presidents. Marene has presented numerous workshops to more than 500 teachers and is passionate about education. She is also an Integrated Learning Practitioner as she is a firm believer in the holistic outlook of a child's development. She further serves as a SNAP (Special Needs Adapted Program) consultant for autistic children.
