## About the speaker

Ninette Visser qualified after studying B OT at the University of Pretoria. Thereafter she worked at Leratong Hospital in Krugersdorp/Roodepoort with children with a variety of conditions such as developmental delay and cerebral palsy.

Ninette was a founder member of the Strubensvalley Therapy Centre in 1997. Ninette worked in the USA providing occupational therapy services for children with special needs. She is qualified in Ayres Sensory Integration as well as DIR (floortime) and serves on the SAISI board (South African Institute for Sensory Integration).
